CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

Effective Date: January 2014

Void After: January 2015

Product: Water Efficient Plumbing Fixture Fittings

File No. G-7917

Issued To: Watermiser Manufacturing Company
1106 Second Street Suite# 637
Encinitas, CA 92024

Identification: Products certified as Green shall be marked with the appropriate IAPMO R&T mark of conformity. The marking may include the term "GREEN" on the top of the mark of conformity and the verbiage "Water Efficiency" below the the mark of conformity. Such marking can be applied on the product itself and/or the packaging.

Characteristics: This listing identifies products that are water efficient based on the reduction of water consumption when compared to the water use baseline indicated in each specification.

Water Efficient Plumbing Fixture Fittings manufactured in compliance with the applicable requirements of the IAPMO Green Plumbing & Mechanical Code Supplement - 2010, Cal Green - 2010, and LEED® - 2009. To be installed in accordance with the manufacturer's installation instructions.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.

Chairman, Product Certification Committee

CEO, The IAPMO Group

This listing period is based upon the last date of the month indicated on the Effective Date and Void After Date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Production of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing.
